Kitchen items (Pots, pans, dishes, silverware— anything needed in the kitchen can be helpful)

All clothing or household items are welcome as we ensure residents have the items they need while they are here and seek to meet needs they have to make a home as they move out.

Specific household items of need include beds, dining room sets, recliners, mini fridges, dressers, chests, night stands, microwaves, etc.)

Office supplies (copy paper, folders, Ink cartridges, envelopes, stamps, pens, school supplies, etc.)

Gift Cards in small increments (from Walmart, Dollar General, Kroger, Mapco, etc.) **-\$10, \$20, \$25** (for required items like work boots, specific uniform pieces, gas to an interview, Earn-It program participation, etc. that a family may need to help them get ready for a new start.)

Monetary Donations! Please know that New Futures spends more than \$600 per family each month to facilitate the services and direct care we provide to each of our families. That continues to increase as we work to move toward transitional opportunities. We rely heavily on individual, church, and private/ foundation grants for the work we do. Each dollar donated to New Futures truly does make a difference. Please consider donations to support New Futures.

If you have a specific item you would like to donate that you think could help our shelter, there is a good chance it could be just the gift we have been looking for... We appreciate all the donations that are offered to us. If you would like to discuss a specific donation, **just call Tayna at (256)929-3215 or email at trains@newfuturesinc.com**

Also, please consider liking us on Facebook (@ New Futures, Inc.) to keep up with our most recent needs for the shelter and families. Learn more about us by visiting our website at **www.newfuturesinc.com**
